

PayPal Express Setup

Last Modified on 03/31/2023 3:37 pm EDT

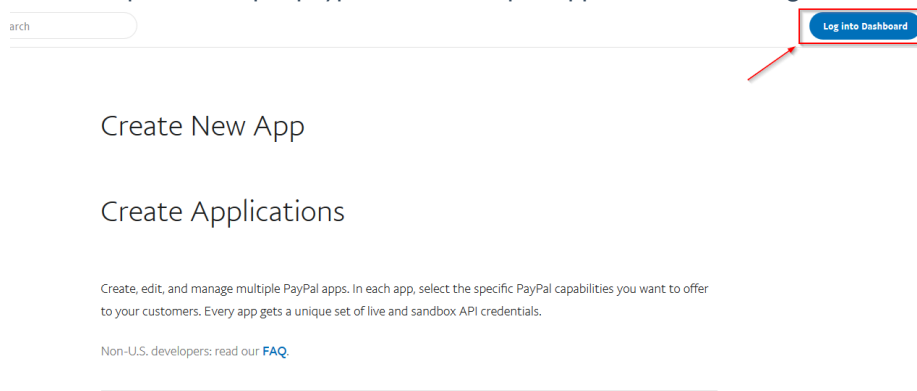

When it comes to ease of use and security, PayPal is a favorite among both businesses and consumers. On your SimplePart site, you have the ability to integrate either PayPal Standard, Pro, or Express as valid payment options.

If you do not currently have a PayPal account, you can sign up for one by [clicking here](#).

Tip: We recommend having a combination of PayPal and a Payment Gateway (Credit Card) options to increase the payment opportunities for your online customers.

PayPal Express is a quicker and easier way for your customers to pay for their orders on your online store. And it's relatively easy to sign up.

1. Go to <https://developer.paypal.com/developer/applications/> click Log into Dashboard in top right corner.

2. Log in to PayPal account using email and password.

A screenshot of the PayPal login form. At the top center is the PayPal logo. Below it are two input fields: 'Email' and 'Password'. Underneath these fields is a prominent blue button with the text 'Log In'. Below the 'Log In' button is a link that says 'Having trouble logging in?'. At the bottom of the form, there is a horizontal line with the word 'or' centered below it. Below this line is a gray button with the text 'Sign Up'.

3. Once logged in, input App Name using structure: "simplepart*dealership*." Replace dealership with the name of your dealership.
